

DISMISSAL/ SUSPENSION

The Board of Education will enter a contract with each non-tenured teaching staff member providing, in part, for the termination of employment by either party on proper notice in accordance with Board Policy No. 4111.

The Board may dismiss a non-tenured teaching staff member when dismissal is in the best interest of the school district. Termination notice will be duly given in writing and will state the reason therefore.

However, the Board reserves the right to terminate a non-tenured employee without notice when sufficient cause warrants.

The Board will determine whether to permit an employee to continue to perform services during the period between the giving of notice and the date of termination.

The Board will determine, based on the recommendation of the chief school administrator, the suspension of an employee for detrimental conduct, see Board Policy No. 4119.22. This suspension may be affected without pay for the period of the suspension.
