

EMPLOYEE SAFETY

Through its overall safety program, the Oxford Township Board of Education shall seek to ensure the safety of employees during working hours.

The board shall be diligent in maintaining safe working conditions for employees. It shall provide an Exposure Control Plan for the occupational containment of bloodborne pathogens as described in file code 4112.4 Employee Health. The board, through the chief school administrator and the board secretary, shall also provide information on possible hazardous substances in the workplace, in accordance with law.

The board shall expect employees to follow all established safety rules and regulations, such as those pertaining to the use of safety equipment, the wearing of safety clothing and protective eye devices where appropriate, and the lifting or shifting of heavy weights.

Employees shall report all accidents to their supervisor immediately.
