

# Junior Solar Sprint Club

Join us to design, construct, and race solar powered vehicles at the county wide competition in May!

Junior Solar Sprint Club provides a hands-on opportunity for students in **grades six through eight** to apply science, technology, engineering, and mathematics (STEM) concepts, creativity, teamwork, and problem solving skills as they design, construct, and race a solar-powered car.

Club Dates: March 28, 29, 30  
April 26 and 27 and May 4 (3-4 PM)  
May 15 (County Wide Competition at Great Meadows)
