Mrs. Julie Rienzi
Director of Special Services

Ms. Nancy DeRiso
Business Administrator

Oxford Central School Students are C.O.R.R.E.C.T.

December 2019

To Whom It May Concern,

Every year the schools in Warren County collaborate in an effort to locate children in their districts that may be in need of Special Education Services. One of our efforts is to distribute the attached article to physicians, preschools, libraries, and social agencies. The article gives an overview of services that are available in the local public schools.

As a representative of the Sussex/Warren Special Services Directors' Association, I am requesting that you please post the attached article in your building and provide this information to those parents you feel would benefit from such services.

Please contact me if you have any questions. I thank you for your cooperation and support.

Sincerely,

Julie Rienzi

Julie Rienzi
Director of Special Services
Oxford Township School District

FOR PUBLIC POSTING
Child Find of Warren County, New Jersey

November 2019

All Warren County School Districts offer educational programs and services for students ages 3 to 21 who are in need of special education services. Parents or other appropriate persons may refer children who are experiencing significant difficulties to their local school district.

Beginning at age 3, children experiencing physical, sensory, emotional, communication, cognitive, or social difficulties may be eligible for special education and related services. Parents should contact their local district's Child Study Team office for further information if they have concerns about their child's development. Children from birth to age 3, who are thought to have a developmental delay, may receive assistance from the Early Intervention Program. To access this service, parents should contact the point of entry for Early Intervention at: **1-888-653-4463**

If parents are concerned about their school-age child's progress, they should discuss such issues with their child's teacher, guidance counselor, or principal. Parents have the option of making a referral to the school's Response to Intervention (RTI) Committee or to the Child Study Team (CST). The RTI offers intervention procedures that are provided within the general education school program. At times, however, more extensive interventions than can be provided in the general education setting are necessary to assist the student. If, as a result, a child is determined to be eligible for special education and related services, an Individualized Education Program (IEP) will be developed, which includes a rationale for the student's educational placement and the basis for the program implementation.

The following is a listing of county CST offices and phone numbers. For further assistance, contact your local district.

Allamuchy Township E.S.: 908-852-1894 x 168

Belvidere School District: 908-475-6600

Franklin Township E.S.: 908-689-2958 x 404
