

First Grade Supply List

Dear 1st grade families,

Welcome to the new school year! As you prepare to gather supplies for your child, please note that a few items on the classroom supply list will be communal supplies. This means they will be shared among all students in the class.

This approach helps us manage resources throughout the year. It helps prevent the students from using up or losing all of supplies within the first week of school, ensuring there's enough for projects and activities throughout the entire school year.

Thank you for your understanding and support in making our classroom environment sustainable and conducive to learning. Should you have any questions about the supply list or any other concerns, please feel free to reach out. I am looking forward to a wonderful school year with your child!
